## 2017 New Year Specials!

Offers valid until the end of March 2017

**MVI HAZEL**  
1 Mygan Business Park  
Jamestown Road, Finglas  
Dublin 11  
Ireland

### WHO WE ARE

MVI HAZEL is one of the largest independent wholesale distributors of fittings in Ireland. We stock a comprehensive range of products for the kitchen, bedroom and furniture manufacturing trades. We also serve customers from other sectors such as DIY stores, hardware merchants, shop fitters and joinery companies.

From our modern warehouse located in Finglas, we stock a comprehensive range of quality and innovative products for the trade. We offer next day delivery within Ireland and we deliver to our UK customers within 72 hours of receiving an order.

Year on year we are growing our portfolio of products in order to provide our customers with the most up to date comprehensive range. We invest a lot of time and effort in sourcing new and innovative products to make our customer's job easier.

At MVI HAZEL we try to do things differently. We see ourselves as a friendly company. Our staff have many years of experience and our objective is to make it as easy as possible for our customers to do business with us. We offer a personalised service, we carry high levels of stocks and we try to make our prices as competitive as possible. Having been in business for over 60 years it seems we are doing something right, but we never stop trying to improve!

### HOW TO ORDER

Our professional internal sales team are ready to take your order or answer any queries you may have.

#### Our opening hours:

Monday - Friday: 8am - 5pm

SOFT CLOSE MAGIC CORNER UNIT UNIVERSAL FITTING

The magic corner unit is typically used when you have a tight blind corner in a kitchen cabinet. When it comes to storage these units really offer the best solution, superior to that of the carousels or kidney corner unit, as they make the most efficient use of the space in a blind corner base unit, meaning that it is virtually entirely accessible. This particular magic corner unit is reversible which means can be installed in either a right or left hand configuration.

Reversible with Soft Close
