Our Partners

clearwater

We take great pride in offering ceramic sinks exclusively manufactured by Sanindusa, the prestigious globally recognized ceramic producer. Our decade-long partnership with Sanindusa has allowed us to witness ceramic as a sink type, come to the fore of what end users desire in their kitchen. Sanindusa's world class quality along with an extensive range of sink designs, has resulted in their Portuguese made ceramics being utilised in all types of kitchens fitted by our customers.

PYRAMIS

We are proudly the official distributor of all Pyramis sinks in Ireland. MVI Hazel and Pyramis's journey together has spanned decades. It has resulted in Pyramis sinks becoming one of the most widely installed sinks in the British and Irish market. Our customers have come to recognize and appreciate the Pyramis brand, as they know exactly the quality that goes into each sink. Precision crafted from 18610 steel, Pyramis's range boasts exceptional durability and are designed to cater to a wide range of kitchen designs and installations. From household renovations to large scale contracts, Pyramis provides us with the versatility to fulfil the diverse needs of all our customers. Each Pyramis sink has been tested to the highest of demonstrable standards.

Stunning and unrivalled Italian design goes into every Armando Vicario tap. Since 2015, we have distributed all Armando Vicario taps in the Irish market and our customers for a number of years now know the exceptional quality and design that Armando Vicario is renowned for. All Armando Vicario taps are manufactured in Distretto Del Laghi (The Lake District) of northern Italy, a region famous in the industry for world class faucet production. As such, Armando Vicario set the standards for the finest materials and aesthetic designs. All Armando Vicario taps undergo the most rigorous of testing to ensure durability and long-lasting functionality.

Quooker®

The most renowned brand and premium of instant boiling water taps on the UK and Irish market by far. We proudly have the most comprehensive complement of Quooker's range and stock in Ireland available for immediate dispatch. We first started supplying Quooker's line via the Fusion instant 3-1 tap range in 2014. Since then, Quooker have not only championed the best instant 100° tap on the market, but have developed instant sparkling water taps via their Cube system in a host of the most innovative trending finishes. Through Quooker, the combination of complete utility and decorative styles, allow us to give our customers premium solutions for a more discerning clientele.

QUARSIL™

QUARSIL™

The new generation of Quarsil has been developed over 30 years and now features substantially improved properties. It is now even easier to clean and has a new intensity of colour.

HYGIENIC SURFACE

The advanced anti-bac surface quality of Quarsil ensure optimum safety when handling food.

DIRT-REPELLENT EFFECT

The material's fine structure means dirt that could be a breeding ground for bacteria finds it impossible to stick to the surface.

PRODUCT BENEFITS

Granite sinks are up to 80% natural quartz sand.

QUARSIL™ has been specially developed for the demands of the kitchen.

The rigours of everyday use vanish with hardly a trace.

Dirt-repellent effect
The dirt simply runs off.

Odour-free
Leaves the surface free of smells.

Heat-proof
Hot temperature sensitive.

Food-safe
Absolutely safe material.

Hygienic Surface

Impact-resistant
Tough and resistant material.

Stain-resistant
Food stains cannot stick.

Made to last
Extremely durable.
